**Interventions for Children & Families**

**2111 North Franklin Dr.**

**Washington, PA 15301**

**Behavioral Dynamics, Inc. (BDI):** provides Behavioral Health Rehabilitation Services (BHRS), otherwise known as “**Wrap-around**”, as a non-residential treatment in which psychological, social, educational and other related services are rendered. The program provides for the evaluation and treatment of patients with social, emotional and behavioral problems; with such treatment being provided on a planned and regularly scheduled basis in the home, community and school setting. Services can be tailored to the needs of the child and the family in a manner that could not be completed in an out-patient setting. Treatment is provided in the least restrictive and least intrusive manner as possible while addressing the individual needs of the client. It is the objective of these services to increase the level of social functioning and well being so that persons receiving one-on-one treatment will require less intensive services and become a more valued member of society.

**Behavioral Dynamics, Inc. is always looking for quality people:** for full-time and part-time positions to provide one-on-one services for children and adolescents under the age of 21. Employee has the flexibility for day, night and weekend hours that are available in Washington County. If you have an interest in counseling youth, you are strongly encouraged to apply. If qualified, you can make a difference in someone's life.

**Therapeutic Staff Support (TSS) - Bachelor's:** TSS is responsible for one-on-one treatment with the client as directed by the BSC or MT. He or she will implement the recommended interventions to achieve the specified goals of the treatment plan. The TSS will assist the family and/or care-givers by providing information and skill training so that they may become independent in the implementation of effective interventions designed to achieve treatment plan goals.

## **Requirements:**
