

## ***A meaningful and rewarding financial services career starts here***

Modern Woodmen of America specializes in developing motivated individuals into Financial Representatives.

Modern Woodmen of America is owned by and operating for our growing membership of more than 759,000 individuals. We were founded in 1883 to care for widows and orphans and while many things have changed over the years our strong values and unique culture remain the same.

Today we continue to help serve the financial security needs of our members and their families as one of America's leading fraternal financial services providers through life insurance, annuity, investment and banking products.

As a fraternal, we offer financial security with a plus.

- Fraternal benefits for members, such as college scholarship opportunities, orphan benefits, prescription drug discounts and financial assistance in times of need.
- Social, educational and volunteer opportunities for members and children.
- Community support through member sponsored-fundraisers and volunteer opportunities.

That's a difference you can be proud to share.

### ***Put yourself on the fast track to success***

Modern Woodmen's mission is to improve members' quality of life while continuing to grow in size and strength. Our financial services representatives fulfill this mission by:

- Playing a vital role in helping families realize their financial dreams.
- Having the tools, financial resources and local and home office support to serve the family and small-business market.
- Offering a diverse portfolio of financial products to help meet individuals' short and long-term needs.
- Positively impacting families and communities through our volunteer and member involvement programs.

### ***Earn what you're worth***

At Modern Woodmen of America you'll earn what you're worth. Our Financial Representatives consistently enjoy incomes at high levels. Plus, there's no limit to how much you can earn.
